

An opportunity has arisen for an additional **Nurse Practitioner** to join our friendly team.

Leesbrook Surgery is recruiting a forward-thinking, enthusiastic, motivated and experienced Nurse Practitioner to join our friendly practice team. We are situated in the heart of Lees Village, Oldham.

The main purpose of the role is to identify, assess, diagnose and evaluate treatment and care for patients at the surgery. You will be required to work collaboratively with the practice team to meet the needs of patients and plan their care.

The successful candidates will be NMC registered, a Nurse Practitioner and possess excellent clinical and communication skills.

About you:

- Enthusiastic
- Experienced
- Hard-working
- Committed to providing high quality patient services
- Good team player
- Sense of humour

The ideal candidate will possess experience and knowledge of treating minor illness, general nursing services, interpreting results, telephone triage, urgent on the day case management, the ability to undertake home visits, participate in the extended hours service, chronic disease and long term condition management, family planning and childhood immunisations.

- Full time/part time considered
- Competitive salary
- Practice population of approx. 9400 patients
- 2 Partners, 1 Salaried GP, 1 Nurse Practitioner, 2 Practice Nurse, 1 Community Matron, 2 Pharmacy Prescribers, 1 HCA
- EMIS Web
- Full range of GMS and enhanced services offered
- We are a friendly practice going through modernisation with high standards of care coupled with traditional values
- Excellent support of our clinical teams

The post holder will have direct contact with patients and carers therefore a disclosure check will be undertaken by the Criminal Records Bureau.

Informal visits and enquiries are welcomed. In the first instance please contact Caroline, carolinemitchell2@nhs.net
