### **Practice Manager Development fund**

We are in the process of arranging a training session on the use of templates on the EMIS system. We will be in touch with possible dates ASAP.

We are also pleased to announce that Vivien Dawber, West Pennine LMC Practice Manager representative will be attending a GDPR conference in January. Vivien will then feedback to Practice Manager colleagues and assess individual training requirements.

### **Tameside & Glossop Practice Manager Representative**

The committee is fortunate to have two Practice Manager representatives from the Oldham area. However, we currently do not have a PM rep from Tameside & Glossop.

Representation would involve attendance at a monthly evening meeting. If this is something you would be interested in, please do get in touch at
