

## West Pennine Local Medical Committee

### December 2016 update from your LMC

#### A message from the Chair

*A Merry Christmas and Happy New Year to everybody. As the year comes to a close, I would like to thank each and every one of you working tirelessly to keep the lights on in the NHS and General Practice in particular.*

*It has been a very tough year with many highs and lows. General Practice is the bedrock of the NHS – if it fails, the whole NHS fails. But as the year draws to a close, we are still here, still fighting for what we think is right, still changing how we do things, learning, working with others, sharing and responding to an ever-changing world. We have a fantastic team of GPs and practice managers from both Oldham and Tameside & Glossop, ably supported by Dr Zuber Ahmed Vice Chair, Dr Peter Wright Secretary and Jane Hill our Liaison Officer, to call upon whenever there are issues and whom you can contact for any challenges you face individually or collectively. Sometimes just having a friendly, confidential ear is what is needed.*

*On behalf of West Pennine Local Medical Committee, I would like to thank you all for your hard work and commitment. Your support and dedication to the cause has been much appreciated. Together we are stronger and can face up to whatever comes our way. I look forward to working with each and every one of you, your staff and those we serve as the new year dawns.*

*Thank you.*

*Dr Amir Hannan*
