

## **June 2016 update from the LMC**

(If you are unable to open any of the links to resources, they can also be located on our website: [www.westpenninelmc.org.uk](http://www.westpenninelmc.org.uk))

### **Coaching for GPs who are thinking of leaving General Practice**

There is the opportunity to receive coaching which is centrally funded by NHS England:

<https://www.fmlm.ac.uk/news-policy-and-opinion/news/articles/coaching-for-gps-returning-to-or-thinking-of-leaving-practice>

The training is being delivered by the Faculty of Medical Leadership & Management and is targeted at GPs who are retiring or thinking of leaving practice.

### **CQC training**

If you feel your practice would benefit from some training in preparation for a forthcoming CQC visit, please let me know by e-mailing [westpenninelmc@btconnect.com](mailto:westpenninelmc@btconnect.com). The LMC delivered a training course last year and if there is enough demand we would be happy to arrange another date in September/ October.

### **LMC/ LPC joint working Group**

In order to promote effective working relations between pharmacists and GPs in the West Pennine area, we have recently set up a joint working group with the Local Pharmaceutical Committee. We will be writing to you outlining the outcomes from our inaugural meeting. Our next meeting is scheduled for July 19th and if you want us to raise any issues on your behalf please e-mail them to [westpenninelmc@btconnect.com](mailto:westpenninelmc@btconnect.com).

If you have any queries about the above, or any other issues relating to primary care, please do not hesitate to contact us at [westpenninelmcbtconnect.com](mailto:westpenninelmcbtconnect.com)
