Forthcoming AGM - GP of Note award nominations

We are in the process of organising our AGM and will be in touch with further details in due course.

As in previous years, we will be celebrating the outstanding work of one of our GP colleagues with a GP of Note award. We encourage you to send in your nominations for GP colleagues in the West Pennine area who you feel should have their outstanding work recognised. Please e-mail nominations to westpenninelmc@btconnect.com

LPC-LMC joint working group meeting - Tuesday 21st March 2017

West Pennine LMC will be meeting with the Local Pharmaceutical Committee next Tuesday. If you have any issues relating to pharmaceutical matters/ prescribing, please let us know and we will gladly share them at this meeting.

HPC vaccination for boys - very short survey to be completed

As part of *HPV Action's* work, they are running a very brief survey of GPs and dentists, seeking their views. This takes only a few seconds to complete and it would be much appreciated if you would do so.

BMA survey for locums and sessional GPs

<https://www.bma.org.uk/collective-voice/policy-and-research/education-training-and-workforce/sessional-gp-survey>

The BMA has launched their first survey for salaried and locum GPs since 2010. It is open to everyone whether BMA members or not, and is applicable for any GP who works in a salaried or locum role including partners who may have additional roles. This survey should take no longer than 15 minutes to complete.

Guidance on website

We have recently added the BMA's guidance to NHS funding, as well as the most up-to-date guidance on the MCP contract. Please visit our website www.westpennine.org.uk for these and other guidance and useful documents.

If you require any more information about the above or any other Primary Care issues, please do not hesitate to contact us via westpenninelmc@btconnect.com
