

## **Block Lane Surgery / CH Medical - Oldham, Greater Manchester**

### **SALARIED GP REQUIRED**

We are looking to recruit a salaried GP for 4 - 8 sessions per week across 2 sites (4 at Block Lane Surgery and 4 at CH Medical). We are flexible and will be happy to consider different working patterns.

Block Lane Surgery is a GMS training practice which serves a diverse population of approximately 5400 patients. CH Medical is a PMS training practice which serves a population of approximately 8600 patients. Both practices are located in Chadderton, on the outskirts of Oldham. The locations offer great transport links and is located close to the M60 motorway.

We are keen to work smartly, and currently use various systems including EMIS, Docman, AccuRx and GP TeamNet to ensure we are paper light and efficient. This helps us achieve highly on QOF and local enhanced services. We are currently engaged in video and e-consultations which allows patients and clinicians flexibility.

We are actively engaged with our Primary Care Network, which is in the process of employing additional health professionals; including physiotherapists, clinical pharmacists and social prescribers.

We are keen on continuing professional development and look for opportunities to encourage and support clinical and non-clinical staff to engage in developing new skills and area of interest.

We are looking to offer a competitive pay and holiday package which will be discussed at the interview.

If you are interested in joining our team, please email your C.V., plus a covering letter to [Naseem.gill@nhs.net](mailto:Naseem.gill@nhs.net) and [manish.asrani@nhs.net](mailto:manish.asrani@nhs.net)

We welcome informal visits to the practices, please email either email address above to arrange this.
